**MEMORANDUM FOR SQUADRON PERSONNEL**

**FROM:** 367 RCS/CC  
3990 E. Bijou Street  
Colorado Springs CO 80909-6806

**SUBJECT:** Cell Phone Safety Policy

1. Cell phones have become a way of life and part of our daily operations to support the mission of Air Force Recruiting Service. However, driving while using a cell phone is a concern we need to emphasize.
2. Your attention is greatly diverted while driving and talking on the phone. As a precaution don't place or take a cell phone call while driving. Pull over to the shoulder, or another safe place, and make or take a call.
3. If you need further information on cell phone usage, consult the Cellular Phone Training Package you received from Logistics with your phone, visit the NHTSA web site at <http://www.nhtsa.dot.gov> or contact the unit safety reps.
